Your Business at Home is a national newsstand magazine distributed monthly at bookstores and retailers such as Barnes & Noble, Borders, Hastings, Books-A-Million, B. Dalton and Staples. The magazine provides excellent, third party validation of the direct selling industry. Each issue features only one company, and the content is devoted to the featured company's story, message, products, opportunity and people.

Your Business at Home is Life Force International's most comprehensive business-building tool. It's a product-information source and prospecting/recruiting piece in one!

This website is a tool to assist you with learning about the magazine and how to use it successfully.
